Bendigo Equipment Finance - Notice

This document does not contain all of the terms of the *finance lease contract*. The rest of the *finance lease contract* terms are set out in the *schedule* signed by *you* and provided to you for that purpose.

By signing the *schedule* you offer to enter into a *contract*.

A *contract* comes into effect when we accept *your* offer to enter into this *finance lease contract*. The *schedule* sets out how we accept *your* offer.

You should read these *standard terms and conditions* and the *schedule* carefully. You should keep these documents for your reference.

Before we accept *your* offer we may require *you* to provide to us:

- 1 any payments under the *contract* which are payable on the *commencement date*;
- 2 the original invoice issued by the supplier or seller of the *goods*;
- 3 a written acknowledgment that the *goods* have been delivered to *you* or that *you* will arrange delivery of the *goods*;
- 4 evidence that the *goods* have been insured as required by clause 9 of these *standard terms and conditions*;
- 5 a waiver in accordance with clause 5.4 of these *standard terms and conditions* from all persons having any *interest* in the *premises* that they will not acquire any interest in the *goods*;
- 6 copies of any maintenance contracts that we may require *you* to enter into in respect of the *goods*;
- 7 evidence that no event has occurred that would, or with the lapsing of time would, if the *contract* has been made, constitute a *breach of an essential term*;
- 8 evidence that the *goods* are in good order and condition and have not in any way been lost, damaged, destroyed or seized; and
- 9 any *guarantee* or *security* to be provided in respect of the *contract*.

Standard terms and conditions

The meaning of words printed *like this* and some other key words is explained at the end of these *standard terms and conditions*.

1 Leasing of *goods* and type of *contract*

- 1.1 These standard terms and conditions and the schedule set out the terms upon which we lease the *goods* to you.
- 1.2 A *contract* that incorporates these *standard terms and conditions* is a *finance lease contract* if you sign the Details headed "Finance lease contract".

2 Term of this contract

- 2.1 This *contract* is for the whole of the *term*.
- 2.2 This *contract* commences on the *commencement date*.

3 Rent and other payments

- 3.1 You must pay the rent by the rental instalments specified in the schedule on each rent payment date.
- 3.2 You must pay us our fees as directed by us from time to time.
- 3.3 We may vary our fees at any time by notice to you. Any variation of existing fees (other than a government fee or charge) takes effect from the earlier of the date you receive

written notice of the change or the date we publish details of the change by advertisement in a national newspaper.

- 3.4 We must give at least 30 days' notice in writing to you before the introduction of a new fee (other than a government fee or charge) under clause 3.3 takes effect.

- 3.5 We must notify *you* of the introduction or variation of a government charge payable directly or indirectly by *you* by advertisement in a national newspaper or in writing to *you* unless the introduction or variation is publicised by a government, government agency or representative body.

4 Delivery of *goods*

- 4.1 You are responsible (unless otherwise agreed) for:

- (1) obtaining delivery of the *goods*; and
- (2) paying all delivery charges.

- 4.2 Any delay in delivery of the *goods* or any damage to the *goods* during delivery does not affect *your* obligations under this *contract*. You acknowledge that we have not given any warranty as to the anticipated date of delivery of the *goods*.

5 Location and use of *goods*

- 5.1 The *goods* must be kept in *your* possession and control at all times and you must not part with possession or lose control of the *goods* without our prior written consent.

- 5.2 Subject to clause 5.3, the *goods* must be kept at the *premises* or such other place as we may approve.

- 5.3 Where the *goods* are mobile they may be used by *you* within Australia. The *goods* must not be taken outside of Australia.

- 5.4 You must not affix the *goods* to any property without *our* prior written consent. Any fixing must be temporary and only to the extent necessary for the proper use of the *goods*. Before affixing the *goods* to the property you must do everything requested by *us* (including obtaining waivers by other persons who have any interest (including a *security interest*) in the property to which the *goods* are affixed) to ensure that no other person acquires or retains any interest (including a *security interest*) in the *goods* and that we may obtain access to the *goods*.

- 5.5 You must notify *us* if you wish to change the place at which the *goods* are located or, in the case of mobile *goods*, ordinarily garaged.

- 5.6 You must, following reasonable advance notice from us:

- (1) notify *us* of the location of the *goods*;
- (2) produce the *goods* to *us* or allow *us* to enter the place where the *goods* are kept to:
 - (a) inspect the *goods*;
 - (b) confirm the terms of this *contract* are being complied with; or
 - (c) exercise any rights under this *contract*.

- 5.7 You must only use the *goods* in accordance with:

- (1) all applicable laws;
- (2) the supplier's and the manufacturer's specifications, instructions and recommendations;
- (3) any requirements of the insurers of the *goods*; and
- (4) *your* business operations and the purpose for which *you* told *us* that *you* intended to use the *goods*.

- 5.8 You must keep the *goods* registered or licensed whenever it is necessary to do so to use or operate the *goods*.
- 5.9 You assume all risks and liabilities arising from the use and possession of the *goods*.
- 5.10 You agree that:
- (1) you will comply with all *OHS laws* in relation to the *goods*;
 - (2) the *goods* are and will during the *term* of this *contract* be and remain under *your* control and are not and will not be under *our* control;
 - (3) you will indemnify and keep us indemnified against any direct liability we may incur or any claim that may be made against us in respect of any breach or alleged breach of any *OHS law* except to the extent that liability arises due to *our* fraud, wilful misconduct or negligence or that of *our* employees or agents; and
 - (4) the obligations under this clause are in addition to *your* other obligations under this *contract*.
- 6 Ownership of the *goods***
- 6.1 The *goods* remain *our* property. You are a bailee and have no title or interest in the *goods*.
- 6.2 You must not create any *encumbrance* over the *goods*.
- 6.3 You must not do anything which could prejudice or jeopardise *our* rights in respect of the *goods*.
- 6.4 You must not sell, lease, hire, transfer or otherwise dispose of *your* rights in respect of the *goods* or attempt to do so without *our* prior written consent.
- 6.5 Any replacement or repair or addition to the *goods* forms part of the *goods* and becomes *our* property. You must ensure any replacement part or addition is not subject to a *security interest*.
- 6.6 If you want us to acquire software in conjunction with the *goods* then you must:
- (1) inform us of this when asking us to lease the goods to you; and
 - (2) set out the price of the software separately.
- 6.7 If we agree to *your* request to acquire software in conjunction with the *goods* then:
- (1) we will acquire the software as *your* agent or in such capacity or on such *terms* as we otherwise reasonably determine are necessary;
 - (2) *rental instalments* will be calculated as if the cost of the software forms part of the cost of the *goods*;
 - (3) the definition of *goods* is deemed to include the software or the interest in the software which we acquire;
 - (4) you will be responsible for obtaining any necessary approvals to entitle you to use the software;
 - (5) you will be responsible for ensuring compliance with all licences or the conditions of use relating to the software; and
 - (6) *our security interest* in the *goods* will be taken to extend to and include a *security interest* in the software.
- 6.8 If you lease *goods* to other persons in accordance with clause 6.4 (because you obtain *our* prior written consent), you must:
- (1) ensure that any lease arrangement with other persons is not a PPS Lease (as defined in the PPSA) or if it is you must perfect and continuously maintain perfection of any security interest that forms part of the *goods* (including perfecting a purchase money security interest);
 - (2) have the terms on which you lease the *goods* approved by us before you enter into the lease arrangement;
 - (3) require the other person to acknowledge our *security interest* in the *goods* and that its interest in the *goods* is subject to or subordinate to our *security interest*; and
 - (4) give us possession of any chattel paper (as defined in the PPSA) relating to a lease arrangement or ensure any such chattel paper is marked in such a way that no other person could take possession of it without acquiring actual or constructive knowledge of *our security interest*.
- 7 Repair and maintenance of *goods***
- 7.1 You must at all times keep the *goods* properly serviced, in proper working order and condition and in good and substantial repair.
- 7.2 You must maintain and service the *goods* in accordance with the supplier's and the manufacturer's specifications and any requirements of any insurers.
- 7.3 You must not without *our* consent make any replacement, alteration or addition of any nature to the *goods* which may lead to a reduction in the value of the *goods*.
- 7.4 You must provide us with a written statement disclosing all defects in the *goods* whenever reasonably requested and whether or not this *contract* has expired or *terminated*.
- 7.5 All repairs to and maintenance of the *goods* must be carried out by suitably qualified personnel at *your* expense.
- 8 Loss or damage to the *goods***
- 8.1 You bear the risk of loss or damage to the *Goods* except where any loss or damage is caused by *our* fraud, negligence or wilful misconduct or that of *our* employees or agents.
- 8.2 You must notify us immediately if the *goods* are totally or substantially lost, damaged or seized.
- 8.3 If the *goods* are totally lost or materially damaged or seized, then we may, at our option, *terminate* this *contract*. If that occurs, then:
- (1) you must pay an amount equal to the *balance due* and any other amounts payable on *termination* of this *contract*; and
 - (2) we will give you credit if and when received for any insurance or other moneys received in relation to the loss, damage or seizure.
- 8.4 If any part of the *goods* is lost, materially damaged or seized, then we may, by giving you 30 days' notice, *terminate* this *contract* in relation to those *goods*. If that occurs then:
- (1) you must pay us the *balance due* in regard to that part or parts; and

- (2) we will give you credit if and when we receive any insurance or other moneys received in relation to that loss, damage or seizure.

We may (acting reasonably) determine the *balance due* in regard to that part by reference to the portion of the value, utility or other relevant measure of the goods which are lost, damaged or seized. If you request us to do so, we will inform you in writing of the basis of this calculation. Our calculations will be conclusive unless they are proved to be incorrect.

- 8.5 If the goods are damaged but we do not terminate this contract, then:
- (1) you must ensure that the goods are restored at your expense to good working order and condition;
 - (2) replacement goods form part of the goods under this contract; and
 - (3) any proceeds of insurance required by us must be applied towards repair or replacement of the goods.

- 8.6 Where this contract terminates in respect of only part of the goods, the contract will continue in respect of the remainder of the goods at a revised rent (including the final rental instalment) and a revised residual value, as calculated by us (acting reasonably) and advised to you having regard to the proportion of the value, utility or other relevant measure of the goods which has not been so damaged, destroyed or seized. If you request us to do so, we will inform you in writing of the basis of this calculation. Our calculations will be conclusive unless they are proved to be incorrect.

9 Insurance

- 9.1 You must effect and maintain at all times during the term or any holding over insurance of the goods for their full replacement value.

9.2 Insurances must:

- (1) be on terms approved by us;
- (2) be with an insurer approved by us;
- (3) note our interest as owners of the goods; and
- (4) be for such risks as we may specify for the purposes of protecting the full replacement value of the goods.

- 9.3 You must pay all insurance premiums and other charges in relation to the insurance.

9.4 When requested by us, you must provide to us:

- (1) satisfactory evidence that the insurances referred to in this clause have been effected;
- (2) satisfactory evidence that all premiums in respect of such insurance are paid up and current; and
- (3) all such other information in relation to the insurance as we may require.

9.5 You must not:

- (1) do or permit to occur anything which may prejudice any insurance or any claim under that insurance; or
- (2) enforce, conduct, settle or compromise any claim under any insurance without our consent.

- 9.6 You must immediately notify us of any event which may lead to a claim under any insurances. You must comply with all our reasonable directions in respect of any such claim.

- 9.7 We are entitled to receive all moneys payable to you or to us under any insurance in respect of damage to or loss of the goods except where that damage or loss arises due to our fraud, negligence or wilful misconduct or that of our employees or agents.

10 Representations and warranties

10.1 You represent and warrant to us that:

- (1) you have full power and authority and have done all things necessary to permit you to enter into this contract;
- (2) the signing or performing of your obligations under this contract will not cause you to be in breach of any other arrangements that you may have and do not require any consent or approval from any other person;
- (3) all documentation provided by you to us, including any copy or facsimile of invoices issued to us by the supplier or seller of the goods are true and correct copies;
- (4) no breach of an essential term or event which with the giving of notice or lapse of time or both would be a breach of an essential term has occurred or having occurred subsists; and
- (5) all of the financial information provided by you to us provides a true and fair view of your financial position and no material adverse change has occurred since the time of preparation of that financial information.

10.2 You warrant to us that the representations in this clause are true and correct at the commencement date and will remain so during the term.

11 Exclusion of warranties

11.1 You acknowledge that, to the full extent permitted by law we do not and nor does any person acting with our authority, give any warranty or representation whatsoever in your favour:

- (1) as to the condition or quality of the goods;
- (2) as to whether the goods have any defects whether latent or otherwise;
- (3) as to the suitability or fitness for the ordinary or any special purpose of the goods;
- (4) as to whether the goods correspond with any description of them; and
- (5) as to the taxation treatment of the goods, the rent or any other matters relating to the contract.

11.2 Any provision which is deemed to be incorporated into this contract is excluded, restricted or modified to the fullest extent permitted by law.

11.3 Your obligations under this contract continue despite any defect in the goods or the breakdown (whether completely or partially) of the goods.

11.4 We are not liable to you for any loss or damage caused directly or indirectly by the goods, by any inadequacy of the goods or any defect in the goods or from the use or condition of the goods except to the extent that loss or

damage arises due to *our* fraud, negligence or wilful misconduct or that of *our* employees or agents.

- 11.5 Nothing in this contract is extended to exclude, restrict or modify any of our statutory obligations that cannot be lawfully excluded, restricted or modified.

12 Return of goods

- 12.1 You must at *your* own cost return the *goods* on the *termination* or *expiration* of this *contract* to the place specified by *us*.
- 12.2 The *goods* when returned must be in good working order and repair (fair wear and tear excepted) and in accordance with the terms of this *contract*.
- 12.3 You must sign any documents and do anything we reasonably require to properly return the *goods* to *us* including:
- (1) returning all operating manuals and documents; and
 - (2) transferring to *us* all licences, approvals, consents, authorisations and certificates of registration relating to the *goods*.

13 Termination and repossession

- 13.1 If you do not, or cannot, correct the *breach of an essential term* within the applicable remedy period given in the notice or required by law or code (or if you are in *breach of an essential term* again for a similar reason at the end of any applicable remedy period given in the notice or required by law), then at the end of that period we will immediately repossess the *goods* and give you notice that we have done so.
- 13.2 If a *breach of an essential term* occurs and this is not remedied within the applicable remedy period, we are relieved from any further liability to perform any of *our* obligations under this *contract*. We may without prejudice to *our* other rights:
- (1) treat this *contract* as repudiated;
 - (2) accept such repudiation; and
 - (3) by *notice* terminate this *contract* and *your* right to possession of the *goods*.

This right may be exercised notwithstanding any delay or previous waiver by *us*.

- 13.3 If we *terminate* this *contract* under this clause, then:
- (1) we are entitled to immediately repossess the *goods*; and
 - (2) we may enter upon any place where the *goods* are or where we suspect the *goods* are for the purpose of such repossession.
- 13.4 Unless this is a *small business contract* or a *contract* to which the *banking code of practice* applies, if we determine that circumstances are such that giving *notice of termination* is impractical or would materially adversely affect *our* rights (including *our* right to possess the *goods*) we may *terminate* this *contract* and *your* right to possession of the *goods* without the need for any *notice*.
- 13.5 If this is a *small business contract* but not a *banking code contract*, we will only take action under this clause if the *breach of an essential term* creates a material risk that you may not pay any *amount owing* when it is due, or we may be unable to enforce *our* rights against any *security*, and provided we have given you 30 days to remedy the *breach*

of an *essential term* (unless we reasonably consider a shorter remedy period, or no remedy period, is required for *us* to manage an immediate risk).

- 13.6 If you are an "individual" or a "small business" as defined in the *banking code of practice*:

- (1) we will not enforce *our* rights under this clause 13 if you have met all your payment obligations under this *contract*, unless:
 - a default under paragraphs (f), (g), (h), (i) and (l) under the definition "*breach of an essential term*" has occurred;
 - it is by its nature material or we reasonably consider that the default has had, or is likely to have, a material impact on:
 - *your* or the *guarantor's* ability to meet *your* or their obligations to *us* under this *contract* (or *our* ability to assess this);
 - *our* security risk (or *our* ability to assess this); and
 - *our* legal or reputational risk (but only if default under paragraph (f) of the definition "*breach of an essential term*" has occurred); and
 - we have given you at least 30 days to remedy the default, unless we consider a shorter notice period, or no notice period, to be reasonable in circumstances where:
 - we reasonably determine that the default is unable to be remedied;
 - based on *our* reasonable opinion, it is reasonable for *us* to act to manage a material and immediate risk relating to the nature of the relevant *breach of an essential term*, *your* particular circumstances, or the value of any real property or other property or assets secured by a *security*; or
 - we have already given you a reasonable period of time to remedy the default but you did not fix it during this time.

- 13.7 Nothing in this clause affects *our* obligation to give any *notice* that we are required at law to give.

- 13.8 You should inform *us* promptly if you are in financial difficulty.

14 Residual value

- 14.1 If upon *termination* or *expiration* of this *contract* you return the *goods* to *us*, then you must pay to *us* on demand the amount of money by which the *present value* of the *residual value* exceeds the *value of the goods*. If the *value of the goods* exceeds the *residual value* you have no claim or interest in such surplus.

14.2 If upon *expiration* or *termination* of this contract you fail to return the *goods* to us, then you must pay to us on demand by way of liquidated damages the *present value* of the *residual value* of the *goods*. If we subsequently obtain possession of the *goods*, then we will apply the sum representing the *value of the goods* in reduction or satisfaction of your indebtedness under this contract, (or in repayment of any payment made by you under this contract) but you have no interest or claim in any surplus.

14.3 If this contract is *terminated* prior to the expiry of the *term* then the *residual value* for the purpose of this clause is the *present value* at the date of *termination* of the amount specified in the *schedule* as the *residual value*.

14.4 Any payment by you under this clause is in addition to other amounts payable under this contract and is to indemnify us against direct loss we may suffer.

15 Termination prior to expiry of the term

15.1 If this contract is *terminated* prior to the expiry of the *term* either by you or by us, you must in addition to other amounts payable under this contract pay on demand the *balance due*, the amounts required to be paid in accordance with clauses 14.1 or 14.2, the *early termination fee* set out in the Details as well as any *break costs*.

Break costs are our reasonable estimate of the loss we may incur as a result of the early repayment. We include in our calculation any difference between the interest rate included in each *rental instalment* for this contract on the date the contract started and the interest rate that would apply on the date on which the repayment is made, calculated by reference to the *balance due*.

The *early termination fee* is our reasonable estimate of the amount required to compensate us for our administrative expenses arising out of the termination prior to the expiry of the *term* and is a fixed amount set out in the Details.

15.2 Payments under clause 15.1 are to indemnify us for direct losses sustained in respect of *rental instalments* not then accrued due.

16 Overdue interest and costs

16.1 You must pay us on demand any costs incurred by us arising out of any default by you under this contract or arising out of us enforcing our rights under this contract including our rights upon *expiration* or *termination* of this contract.

16.2 If you fail to pay any money payable under this contract when due (or on any judgment in respect of which those moneys become merged) then you must pay interest at the *higher rate* on that amount.

16.3 Interest at the *higher rate* is calculated from the date such moneys become payable until the date of actual payment and is payable on demand.

16.4 If you are a *farmer* and we have hired the goods to you for the purposes of a *farming operation*, we will not charge interest at the *higher rate* during any period that the land you use for the *farming operation* is in drought or subject to another natural disaster. We will refund any interest charged at the *higher rate*, or late payment fees charged by us, during the period the relevant land was in drought or subject to another natural disaster. We will consider land to be in drought or subject to another natural disaster when an Australian State or Territory government makes a declaration to that effect, or (if no such declaration is made) when we are satisfied on other grounds that the relevant land is in drought or subject to another natural disaster.

17 Remedy of breaches by you

17.1 If you breach any of your obligations under this contract we may, after allowing for any applicable remedy period, at our discretion (but without having any obligation to do so) take such steps as we reasonably consider necessary to remedy such breach.

17.2 You acknowledge that if we take any action under clause 17.1 we may do anything you should have done under this contract which you have not done, or which we reasonably consider you have not done properly.

17.3 Any costs incurred by us in exercising our rights under clause 17.1 incur interest at the *higher rate* from the date of payment by us until the date of repayment by you. Such money is payable on demand.

18 Duties and taxes

18.1 You must pay all stamp duty and other duty or taxes and any fees which in any way relate to this contract, any supply made under this contract or any transaction contemplated by this contract or the registration of this contract or any security interest related to it.

18.2 Unless GST is expressly included, a payment under this contract for any supply made under or in connection with this contract does not include GST. To the extent that any supply made under or in connection with this contract is a taxable supply, the GST excluded consideration otherwise payable or provided for that supply is increased by an amount equal to that consideration multiplied by the rate at which GST is imposed in respect of such supply and subject to receipt of any tax invoice if required, is payable at the same time.

18.3 If payment to a party under this contract is a payment by way of reimbursement or indemnity and is calculated by reference to the GST inclusive amount of such loss, cost or expense incurred by that party, then payment is to be reduced by the amount of any input tax credit to which that party is entitled in respect of that loss, cost or expense before any adjustment is made for GST pursuant to clause 18.2.

18.4 Payments under this clause must be made at the time that the act or supply giving rise to such liability occurs.

19 Tax indemnity

19.1 You acknowledge that the *rent* and other moneys payable in connection with this contract have been calculated on the basis:

- (1) that we will be entitled to claim a deduction for depreciation in respect of the *goods* under any laws relating to income tax; and
- (2) of the rates of duty and tax applicable at the date of this contract.

19.2 If our liability for income tax is increased or is payable earlier because deductions at the depreciation rates which we have relied upon for calculation of the rent are not for any reason allowed in full at the times when they would normally have been allowed, (or in the case of a *finance lease contract* the *residual value* is not approved by the relevant authorities) or if the rate of any duty or tax in connection with this contract (other than income tax on our net taxable income) is increased, then you must pay to us on demand an amount which will result in the after tax yield to us being the same as it would have been but for such increase or acceleration in liability. We will give you 30 days' notice of any such increase or acceleration in liability. You may, on reviewing any notice of increase or acceleration in

liability under this clause 19.2, opt to terminate this *contract* by paying *us* all amounts payable in accordance with clause 15.1 and returning the *goods* to *us* in accordance with clause 12.

19.3 Indemnities in this clause 19 continue in full force and effect notwithstanding any *termination* or expiry of this *contract*.

20 Application of moneys

We will apply all moneys received by *us* in respect of this *contract*:

- (1) firstly, in payment of *our* costs;
- (2) secondly, in payment of any other expenses in relation to the *goods* that we are empowered under this *contract* to appropriate and think fit to pay; and
- (3) thirdly, towards payment of the amounts due to *us* under this *contract*.

21 Power of attorney

In consideration of *us* entering into this *contract* you irrevocably appoint *us* and each *authorised officer* severally as *your* attorney. If there is a *breach of an essential term* which you have not been able to remedy within the applicable remedy period, we may, acting reasonably, do anything you are obliged to do or which we are empowered or authorised to do under this *contract*.

22 Trustee

22.1 The provisions of this clause apply if you or any *guarantor* enter into this *contract* (including the *guarantee* contained in this *contract*) as the *trustee* of a *trust*.

22.2 Each *trustee* enters into this *contract* both in its personal capacity and its capacity as *trustee* of the *trust*.

22.3 Each *trustee* warrants to *us* that:

- (1) it is the sole *trustee* of the *trust*;
- (2) no action has been taken to remove or replace it as *trustee*;
- (3) the *trustee* has full power under the *trust* deed to enter into this *contract* and to perform its obligations under this *contract*;
- (4) all necessary actions have been taken to authorise the entering into and performance of this *contract*;
- (5) this *contract* is entered into as part of the due and proper administration of the *trust* and is for the benefit of the beneficiaries;
- (6) the *trustee* has the right to be fully indemnified out of the *trust* fund and no action has been taken to restrict the limit of that right;
- (7) the *trust* has not terminated nor has any event for the vesting of the *trust* assets occurred; and

- 25.1 Acceptance of any payment by *us* after we have become aware of any default under this *contract* or any *breach of an essential term* is without prejudice to the exercise by *us* of our powers under this *contract*. We may also grant a *security interest* over the *goods* or our rights under this *contract*. If we do this, *you* may not claim against any assignee (or any other person who has an interest in this *contract*) any right of set-off or other rights *you* have against *us*.
- 25.5 If any provision of this *contract* is or at any time becomes void or unenforceable the remaining provisions will remain in full force and effect. Any void or unenforceable provision will be replaced or if not replaced then read down by a lawful and enforceable provision which so far as possible achieves the same economic benefit or burden for *us* and *you* as the unlawful or unenforceable provision was intended to achieve. All *your* obligations under this *contract* survive the *expiration* or *termination* of the *contract* to the extent required for their full observance and performance.
- 25.6 If any law requires *you* or any *guarantor* to make any deduction or withholding from any payment in respect of this *contract* or the *guarantee* then:

- (2) *you* and any *guarantor* indemnify *us* against any failure by *you* or any *guarantor* to make such deduction or withholding.
- 25.7 Time is of the essence in respect of *your* obligations under this *contract*.
- 25.8 No failure or delay on our part to exercise any rights or powers under this *contract* will operate as a waiver of that right or power. We may only waive our rights under this *contract* in writing signed by an *authorised officer*.

However, we may at any time at our discretion apply and set-off any amounts due for payment by *us* to *you* or to any *guarantor* for any reason against any amounts owing or which may become owing by *you* to *us* on any account including but not limited to this *contract*.
- 28.2 We will promptly inform *you* if we exercise our rights of set-off contained in this clause or if we combine any accounts.
